PLEASE READ THE FOLLOWING STATEMENTS BEFORE SIGNING THIS FORM

- What is the Multiple Listing Service (MLS) and how can it best serve you?
 - The MLS is a means by which participating brokers and agents make offers of compensation and cooperation to other participants using printed and electronic means. The service exposes listing information of thousands of participants thus exposing your property instantly and continuously to many potential buyers. **This increased exposure, made possible by the MLS, may result in a higher sales price for your property.**
 - Using the MLS may significantly increase the number of buyers that know your property is for sale.**
- In the best interest of the seller, brokers and salespersons are encouraged to make full, open and sincere effort to cooperate with other licensees and MUST present to you offers obtained through other brokers, unless you specifically instruct your broker in writing not to present such offers to you.

The Term of the listing agreement runs from _____ to _____
 _____ (Beginning Date) _____ (Expiration Date)

The Term of the exclusion shall be from _____ to _____
