

SRAR Supra® eKEY Access

Active SRAR MLS Participants & Subscribers are eligible to use the Supra eKEY lockbox service. Supra eKEY software turns your smartphone into a lockbox key and brings a set of useful tools to your business.

eKEY allows you to:

- Set access hours to listings, change Supra key box shackle codes, and track key box inventory
 - Get real-time data at the door, including a listing photo and current property notes
 - Quickly and easily show properties using the phone's biometric feature or even Apple Watch®
 - Browse SupraWEB on your smartphone
 - Receive real-time showing instructions when showings start and end
-

The cost to get the Supra eKEY service is \$55 to activate the service and a monthly fee of \$16.06, (*a pro-rated amount to be charged at the time of set up*). Thereafter, the \$16.06 monthly fee is charged on the 12th of the month.

To get started with Supra eKEY service, send an email to supra@srar.com and or give membership a call at 818-947-2201 to have us Assign you a key to the Supra System. Once a key is assigned you will receive a text message on your phone to check your email and to complete your eKEY activation.
