Disclosures for All Areas

1. Flooring Disclosure: Neither Seller nor Broker make any representation or guarantee as to the type or condition of the flooring located underneath existing carpeting or other floor covering, except as may be noted in writing by Seller. Buyer is advised to conduct their own independent investigation of the flooring during Buyer's physical inspection period, if this is an important factor to Buyer. Buyer understands any investigation of the flooring must be done in a manner that will not damage the existing floor covering. Seller is required to disclose any adverse conditions regarding flooring underneath the existing floor covering that are known to Seller; however, Buyer understands that Seller is NOT responsible for damaged flooring underneath existing floor covering unless Seller was aware of such condition and failed to disclose this to Buyer. If Buyer is informed "hardwood" or "wood" floors exist at Subject Property, Buyer understands this is NOT a representation or guarantee that all flooring is wood or hardwood and is not a representation or guarantee as to the condition of said flooring.

2. County, Juvenile and State Prison Facilities District (Correctional Facilities): Buyer is aware that there are Correctional facilities located throughout Southern California. The state and county prisons may house inmates (both male and female) classified as minimum, high-medium, and maximum custody inmates. These facilities may be expanded from time to time to meet the needs of the State and County. Buyers are advised to investigate the impact of these facilities, if any, on the decision to purchase. These facilities include, but are not limited to:

- California State Prison - Los Angeles County and the Mira Loma Detention Center are situated on the west side of the City of Lancaster between 50th and 60th Street West and Avenues J and I.
- The Los Angeles jail facility "Pitchess Detention Center is situated on the east side of the I-5 freeway near Castaic.
- Juvenile jail facilities "Camp Munz" and "Camp Mendenhall" are situated in the southwest corner of the Antelope Valley in Lake Hughes and that the Challenger Memorial Youth Center is located at 5300 West Avenue I in Lancaster.

For more information go to www.lasd.org and www.cdcr.ca.gov, probation.lacounty.gov

3. Future Development, Land Use, and Neighborhood Conditions: The Santa Clarita Valley, Antelope Valley and the surrounding unincorporated communities, is a region still undergoing significant real property development.

Although a so-called "Master Plan" and/or "Specific Plans" may exist, it is neither fully approved nor does it describe all areas of the valleys or surrounding areas. Tracts of unimproved land are in various stages of planning and/or approval for the construction of residential, commercial and industrial buildings. Buyer is advised that ultimate use of land adjoining or even remote from the Subject Property is, or may be, the subject of proposed, planned or approved, but as yet not started, development. Such development may result in neighborhood, community and regional changes including, but not limited to: the opening of cul-de-sac streets into previously undeveloped land or other nearby streets, the widening of existing streets, the building of entirely new roads, streets or freeways and the construction of appropriately zoned structures near to, or otherwise affecting, the Subject Property. Vacant lots that may be adjacent to a property may be improved and could affect Subject Property and any views. Buyer is further advised to investigate all such matters with appropriate government agencies. Buyer is advised to investigate the known and/or prospective implementation of development plans and projects and the effects, if any, on the value, use, enjoyment of the Subject Property in conjunction with Buyer's investigation of the Property.

4. Gas Shut-Off Valve Availability: Buyer is advised Earthquake Shut-Off Valves are available, but not required in certain areas. Buyer is advised to investigate the operation, installation, cost and protection this valve may offer in an earthquake.

5. High-Speed Rail Proposal: Buyer is informed the State of California is considering the route of a high speed rail line between Northern and Southern California. Buyer and Seller are advised that the California High-Speed Rail Authority has indicated that a route for a High-Speed Train will include running through the Antelope and Santa Clarita Valleys and further north and south beyond these areas. The State of California is currently contemplating numerous routes for said rail line.

During the construction period there will be numerous items impacting surrounding neighborhoods including changes in traffic patterns, heavy machinery, construction noise, dust and other construction related issues, train operations and possible eminent domain issues will be expected.

Real Estate Brokers cannot give any opinion on when this high speed rail will be constructed nor where the high speed rail will ultimately be constructed. While it is likely property values in the areas surrounding this project will be impacted, Real Estate Brokers are not in a position to determine what impact this project would have on any particular property.

Buyer is advised to satisfy any and all concerns directly with any questions concerning this proposed construction by contacting the CALIFORNIA High-Speed Rail Authority at (916) 324-1541 or visit www.hsr.ca.gov, or by email at info@hsr.ca.gov. The local Southern California office can be reached by email at southern.California@hsr.ca.gov

6. High Winds: Buyer is informed that the Santa Clarita Valley, Antelope Valley and the surrounding unincorporated communities experience high winds from time to time. High winds can result in blowing dust, sand, debris and other airborne particulates. Winds can damage, including but not limited to, roofing shingles and tiles and cause trees to fall. Buyer is advised to conduct Buyer's own independent investigation of this matter during Buyer's physical inspection of the Property.

7. Horse/Livestock Zoning: Buyer is advised the mere presence of horses or other livestock or animals on or near adjacent properties does not necessarily mean that the Subject Property is zoned for horses or other livestock or animal boarding. Buyer is advised to conduct a thorough investigation with appropriate entities, such as the County of Los Angeles. For more information, search at planning.lacounty.gov/.

8. Landfills: The Santa Clarita Valley, Antelope Valley and the surrounding unincorporated communities are in close proximity to current landfill sites and/or the possibility of other landfill sites unknown to Seller or Broker(s). Landfills in the area may continue to expand and increase their land use, as well as increase the types (hazardous waste, non-hazardous) and tonnage of waste deposited into the landfill on a daily and weekly basis. Current Landfills include, but are not limited to, Chiquita Canyon Landfill located in LA County off Highway 126 adjacent to Val Verde and near Castaic, the Antelope Valley Public Landfill I at 1200 West City Ranch Road, Palmdale, the Lancaster Landfill and Recycling Center at 600 East Avenue F, Lancaster. Buyer shall make Buyer's own investigation of the effect, if any, on the value and the Buyer's use and enjoyment of the Property resulting from the Property's proximity landfill sites.

9. Licensed and Community Care Facilities: Buyer is advised licensed care facilities may be found in any neighborhood and are protected by State law. Buyer shall conduct their own investigation of such matters and will not rely on Brokers or Agents for information regarding the nature and location of these facilities.

10. **Mail Delivery:** Buyer is advised to ask Seller and to check with local agencies as to local mail delivery guidelines, as many areas may not have mail delivered to the properties, depending upon the location of the Subject Property.

11. **Metrolink and / or Other Railway Service:** Buyer is advised the Subject Property may be situated in or near one of the service areas of Metrolink and/or other railway service. There may be nuisances including, but not limited to, noise or vibration, possible traffic delays due to train traffic, traffic to and from rail stations, and other possible nuisances.

12. **Multiple Parcels, Property Tax Bills and NHD Disclosure:** Subject property may have multiple parcels and multiple property tax bills separate for each parcel. Buyers are responsible for making sure at tax time that all parcels are covered and paid for or there may be future legal and monetary issues and liabilities, including but not limited to fines, liens and loss of parcel(s) at Tax Sale. If Buyers choose to impound their property taxes with their lender, Buyers should receive Information Only bills and it is Buyers sole responsibility to make sure their property taxes are being paid by lender and/or Buyers on ALL parcels associated with Subject Property. Further, Seller(s) are required to provide Buyer(s) with Natural Hazard Disclosure Report that covers all parcels; i.e. multiple reports or report with Addendum covering all parcels. For more information about property taxes, go to www.lacountypropertytax.com.

13. **National Forest Lands:** Buyer is advised the Santa Clarita Valley, Antelope Valley and the surrounding unincorporated communities are near and in some locations adjoins the Angeles National Forest or Los Padres National Forest. Said National Forest is a natural wildlife habitat and is also used for a variety of recreational purposes.

14. **Oak Tree Ordinance:** The Santa Clarita Valley, Antelope Valley and the surrounding unincorporated communities have ordinances regarding oak trees, including, but not limited to, use, maintenance, trimming, cutting, removal, and pruning of any oak tree. There are permit guidelines as part of the ordinance. Buyer is advised any oak trees on or near the property may interfere with modifications or additions to property and may interfere with the use, expansion, and enjoyment of the Subject Property. Buyer is advised to consult appropriate professionals and agencies regarding any oak trees near or on the Subject Property.

15. **Post Burn Issues/Mudflow:** Many areas in Southern California periodically suffer damage due to brush fires and firestorms that ravage an area. Rains can pose a threat of additional damage due to flooding, mud, and/or debris flows. Buyers should consult local and county agencies, such as Department of Public Works www.dpw.lacounty.gov/wrd/fire, and the City of Santa Clarita Website <http://readyforrain.santa-clarita.com/>. Buyers are advised to consult insurance professionals regarding availability of insurance coverage and all options for subject property.

16. **Propane Gas:** Buyer is aware many properties are or may be served by Propane Gas delivered by a company into tanks that are usually rented. Buyer is advised that gas appliances like, but not limited to, clothes dryers, ranges, water heaters, barbecues originally designed and built for operation with natural gas may have to be modified to operate with Propane Gas. Sellers are responsible for any outstanding balances on propane accounts and shall be paid in full prior to closing. Any propane in the tank will be considered part of the sale. Unless otherwise written and agreed to, Seller shall provide sufficient propane for inspections and final walk thru prior to closing. Seller shall turn over any paperwork or information regarding the propane tank and Buyer is advised to contact the company, within their contingency time frame, regarding transferability and is advised to transfer propane along with any other utilities into their name prior to possession of Subject Property.

17. **Proximity to Dam(s)/Lakes:** The Santa Clarita Valley, Antelope Valley and the surrounding unincorporated communities are in close proximity to existing dams and lakes including, but not limited to, Castaic Lake, Pyramid Lake, Elizabeth Lake, Lake Hughes and Bouquet Reservoir, Lake Palmdale, and Fairmount Reservoir. Buyer should investigate the proximity of the Subject Property to any such facilities and any potential effects they may have on the Subject Property.

18. **Proximity to Electrical Power Lines:** There are high-voltage electrical lines that can, in some cases, run adjacent to rural and/or residential properties. There can be, including, but not limited to, additional switching stations added, updating of power lines and towers, increasing sizes and/or conductors, etc. One such project is called "Barren Ridge" and more information regarding this project can be obtained by calling 877-440-3592 or on line at www.ladwp.com/barrenridge.

19. **Review of Preliminary Title Report and Easements:** Buyer is advised to read and review all documents that may impact the title, use or possession of the Subject Property, and to have a physical inspection of the Subject Property for possible easements or encroachments, including without limitations roads, paths, structures, utility devices and other improvements. The Broker(s) have not verified, and are not qualified to verify, whether recorded or unrecorded documents or easements or encroachments affect the title, use or possession of the Subject Property. Buyer is strongly urged to employ appropriate competent professional(s) such as civil engineer(s), surveyor(s) and general contractor(s) to review all issues that may impact title, use or possession of the Subject Property. Buyer may also contact the title company to discuss title and the title policy being issued for the Subject Property and about the availability, coverage and cost of other title policies and/or endorsements that may provide a higher degree of coverage for Subject Property. Buyer is advised they may request from the title company color-coded easement maps with regard to the Subject property and various easements, as well as request a hyperlinked Preliminary Title Report and all recorded documents found on the prelim to review and investigate during their inspection contingency timeframe per contract.

20. Sediment Placement Sites (SPS): Buyer is advised the Subject Property may be in the vicinity of a current or future Sediment Placement Site (SPS). The Los Angeles County Flood Control District has established these sites to place the sediment being removed from debris basins throughout Los Angeles County. These sites are designed for putting soil and rock only and not for dumping garbage or any other materials. Currently there are approximately 20 active SPSs throughout Los Angeles County with seven located within or near the boundaries of the San Fernando and Santa Clarita Valley, with additional sites proposed for the future. Such SPS sites currently exist in Sylmar (May Canyon), Chatsworth (Brown), Santa Clarita (Wildwood), Toluca Lake (Aqua Vista), and Sunland/Tujunga (Zachau, La Tuna, Blue Gum). A map of these SPS sites may be found at http://www.srar.com/mls/pdf/Sediment_Placement_Sites.pdf. Buyer agrees to make own investigation of these sites, and their effects, if any, on the value, use, and enjoyment of the Subject Property.

21. Water System/Water Availability Investigation: Buyer should determine the property's water source (i.e. if the Property has a public water source or other water delivery system, such as a mutual water company or well water system.)

If the Property is serviced by a mutual water company, Buyer is advised to conduct Buyer's own independent investigation of the financial solvency of the mutual water company and the reliability and quality of its water service. Buyer should also investigate what private conditions and approvals may be imposed by private water companies.

If the Property is not on a city, mutual water company, or equivalent water system, Buyer should determine whether water of sufficient quality and quantity will reliably be supplied to the Property. If the Property is serviced by a water well (on or off the Property), Buyer is advised to conduct an inspection and certification of the well servicing the Property to reveal both the condition of the well and the quality of the water. Buyer is aware that the quantity, quality and/or source of a well or wells located on or servicing the Property cannot be guaranteed, and may fluctuate from time to time and/or may go dry. Water wells can be costly. Other conditions may apply, including but not limited to the requirement of the development of public water systems within an area that becomes publicly funded by residents. Buyer should consult appropriate professionals and the Los Angeles County Department of Public Health to satisfy any and all concerns with regard to wells and County guidelines and rules for issuing permits now and in the future. For more information, go to http://publichealth.lacounty.gov/eh/EP/dw/dw_well_water_owner.htm.

Buyer is notified that there is pending litigation involving water rights in what is known as the Antelope Valley Ground Water Basin. This litigation may impact a property owner's right to pump water on their property. To determine whether this litigation may impact your property, consult your legal counsel and/or visit www.avgroundwater.com.

Buyer is hereby expressly notified that construction of new commercial and industrial facilities and residential dwellings may be prohibited to land serviced by non-conforming water systems, such as "hauled" water, irrigation ditch water and public or community water systems that do not meet current legal Standards. Buyer is advised that lack of an adequate water supply may result in the denial of building permits for new construction on the Property, or for any additions or remodeling desired by Buyer to existing structures on the Property.

22. Weather/Fire Protection/Emergency Health Transportation Issues: Certain Rural property areas and Antelope Valley and the surrounding unincorporated communities may have icy and/or snow covered roads and homes may need winterizing during winter months. Due to weather conditions, there may be power outages from time to time and highways may be closed for periods of time. Since some properties may be in mountainous and/or outlying areas, residents need to be aware of local fire protection procedures concerning their property and safety in these areas. Many areas also have brush clearance requirements and owners may be cited for non-compliance. Properties in the Rural Area may be covered by Cal Fire and not Local or County Fire services. Emergency response times may be lengthy due to rural location and/or weather conditions. Buyer is advised to investigate these matters with appropriate entities and agencies to satisfy any and all concerns.

23. Wildlife: Buyer has been informed various types of wildlife appear in residential neighborhoods throughout the Santa Clarita Valley, Antelope Valley and the surrounding unincorporated communities. Coyotes, bobcats, undomesticated cats, snakes, owls, and other birds of prey as well as other such wildlife may be injurious to property, pets, and small children. Buyer is advised to investigate this matter during their inspection contingency period.

24. Wood Burning Stoves/Fireplaces: Certain areas may have regulations currently in place or may have in the future which could restrict or prohibit the use of indoor and outdoor residential wood burning in wood burning stoves and/or fireplaces due to fire hazards and/or air quality matters. Certain properties may be exempt, such as, but not limited to mountain communities, homes that rely on wood as sole source of heat, low-income households, and those without natural gas service. For more information go to www.aqmd.gov or check with local and county entities for any regulations relating to the Subject Property.

25. Wood Destroying Pest Reports: In the event that Seller obtains more than one Wood Destroying Pest report pursuant to the current sale of Subject Property, Seller is required to provide copies of all such reports to the Buyer. If there is more than one report, Seller shall notify Buyer which company will be doing any corrective work and issuing the clearance. Seller's ability to comply with the Wood Destroying Pest provisions of the Purchase Contract may be impacted by the existence of any discrepancies contained within said reports. Buyer is aware the Structural Pest Control Report deals with wood destroying pests including termites and does not apply to the presence or absence of rodents, insects, or any other such "pests".

Santa Clarita Valley Disclosures

1. **Bermite:** Whittaker-Bermite is an approximately 1000 acre site adjacent to Circle J Ranch on the south, Soledad Canyon on the north, Golden Valley Road on the east, and Railroad Avenue on the west. This former munitions testing and manufacturing site has contamination issues to soil and groundwater by perchlorates and other compounds. Certain water wells were shut down and clean-up efforts continue on and off the site for soil and groundwater contamination. Since May 1995, there have been plans to develop this area known as the Porta Bella Specific Plan. Included in this plan for development is the extension of Via Princesa from the 14 Freeway side through to the Circle J Ranch side. Exact timeline for clean-up and for future development is unknown at this time, For more information go to www.whittakerbermite.com or www.Santa-Clarita.com.

2. **Castaic School:** Buyer is advised that the William S. Hart School District is in the process of building a High School in the Sloan Canyon / Romero Canyon area of Castaic. The construction of Castaic High School will bring various changes to the Castaic area such as, but not limited to:

1. During the construction period changes in traffic patterns, heavy machinery, construction noise, dust and other construction related issues will be expected.
2. When Castaic High School opens, school related issues will potentially affect neighboring areas. These items may include, but not limited to; traffic, noise, lighting, and other school related issues.
3. This disclosure is based on current released information that may or may not change. The Buyer is advised to contact the school district, and any other agency directly, and review any and all information at www.hardistrict.org and <https://www.hardistrict.org/apps/pages/castaic> or by calling (661) 259-0033 related to the proposed school and its potential effects on the area and Subject Property.

Buyer is advised to make an independent and complete investigation of the effects, if any, on the value, use, and enjoyment of the Subject Property.

3. **Cogeneration and Operational Power Plants:** Buyer is advised there are cogeneration and operational power plants which utilize various fuels to produce electricity for on-site and off-site purposes. These plants are located in various areas, including but not limited to two plants in Placerita Canyon, Pitchess Detention Center in Castaic, Val Verde, Saugus, and Valencia. More information and lists of other possible plants can be found on the California Energy Commission website at www.energy.ca.gov.

4. **Henry Mayo Newhall Memorial Hospital and Expansion:** Henry Mayo Newhall Hospital is a Level II Trauma Center. Emergency vehicles and air transport by helicopter are used to transport patients to the facility 24 hours per day. Buyer is advised the Henry Mayo Newhall Memorial Hospital is in the process of expanding the campus to include additional buildings and facilities. For additional information Buyer is advised to contact Henry Mayo Newhall Memorial Hospital and The City of Santa Clarita for the current status of the expansion, additional expansion information, and how these may affect the Subject Property. Buyer is advised to make an independent and complete investigation of the effects, if any, on the value, use, and enjoyment of the Subject Property.

5. **Natural Gas Storage:** The City of Santa Clarita has posted information regarding Natural Gas Storage Facilities in and near Santa Clarita on the City's website at <https://www.santa-clarita.com/city-hall/departments/recreation-community-services-and-open-space/emergency-management/natural-gas-storage-facilities>

6. **Oil Derricks & Pollutants and Toxins:** Buyer is advised some known and/or alleged oil derricks and/or pollutants and toxin problems that may be around the area. Information can be found online at <http://www.conservation.ca.gov/dog>.

7. **Placerita Canyon:** Buyers are advised there is a gate at Placerita Canyon west of Sierra Highway and the 14 Freeway. Buyers who purchase homes in this area of Placerita Canyon should be aware there are certain standards for the area, future road changes and development, and requirements for gate access/cards. Buyers should contact the Placerita Canyon Property Owners Association for more information and refer to their website at <https://pcpoa.com/>

8. **Porter Ranch/Aliso Canyon Disclosure:** Buyer is advised of the existence of the Aliso Canyon Oil Field, located within close proximity to the Porter Ranch Area. Further, buyer is informed that The Termo Company, owner of the existing wells along with several other oil and gas companies, has proposed to drill an additional number of new oils wells at this site. At this time, this proposal is under consideration and no final determination has been made as to whether or when such additional oil wells will be drilled. Seller and real estate brokers and their agents do not have the expertise to advise buyer on any impact said oil wells may have on the subject property. Buyer is advised to investigate this matter during buyer's investigation contingency period. Buyer may visit the proposed project website at <http://www.northalisoproject.com> and should also check with the appropriate county and city departments to obtain information regarding any potential environmental impact of said drilling. <http://www.caloes.ca.gov/ICESite/Pages/Aliso-Canyon.aspx>

Buyer is advised that there was a major gas leak coming from a Southern California Gas Company storage facility in Aliso Canyon located in close proximity to the Porter Ranch area. The leak, coming from an underground well, released large quantities of methane gas. During the time of the leakage, residents of Porter Ranch complained of health issues including nausea, headaches, and nosebleeds. The gas company indicated that the leak began on or around October 23, 2015 and continued until on or around February 11, 2016. There are claims that additional leaking has occurred after the February 11, 2016 date. Seller and real estate brokers and their agents do not possess the expertise to advise the buyer on the impact of this leak on the subject property. Buyer is advised to do their own investigation of this matter during buyer's investigation period. Buyer may contact the Los Angeles County Department of Public Health at 888-700-9995 and the Southern California Gas Company at 800-427-2000 for further information.

9. **Sand and Gravel Mining Operation Proposal:** Buyer is advised there is a proposal to expand the sand and gravel mining operation with appurtenant facilities, located at 12101 Soledad Canyon Road, about two miles east of the City of Santa Clarita (commonly known as CEMEX). Concerns have been expressed by the community regarding this project with respect to the possibility of creating noise, air pollution, and increased congestion from heavy truck traffic. For more information go to www.santa-clarita.com.

10. **Salt Water Pools:** The Santa Clarita Valley Sanitation District adopted an ordinance making it illegal for both new and existing “saltwater” pools to be connected to the sewer system. Buyer is advised to consult appropriate professionals and/or the Sanitation District at www.lacsd.org/chloride or call 1-877-Cut-Salt for further information regarding Salt Water Pools.

11. **Water Softeners:** Automatic or rock salt water softeners are illegal and banned in the Santa Clarita Valley. Door to door investigations are being made by officials and homeowners can be cited and fined up to \$1,000. Rebates may still be available. Contact the Sanitation District of LA or go online to www.lacsd.org/wastewater/automatic_water_softeners/softenerrebate.asp.

Acton and Agua Dulce Area Disclosures

1. **Agua Dulce Airpark/Airport:** Buyer is advised and hereby acknowledges the Subject Property may be located within close proximity to the private Agua Dulce Airpark. Buyer is hereby advised to investigate the hours of operation of the Airpark, types of aircraft (jet or otherwise) flying into and departing from the Airpark, types of flights (private or commercial) flying into and from the Airpark, flight patterns associated with the Airpark as well as any other related information concerning the actual or potential impact of the Airpark, including but not limited to any possible future expansion of the Airpark. For more information, go to www.170airport.com.

2. **Community Standards District:** Acton and Agua Dulce have active Town Councils and has developed a Community Standards District intended to help preserve the character of the community and addresses, including but not limited to, minimum lot size, residential and commercial development standards, street improvements, public trails, signage, the number of cargo shipping containers allowed, allowable home-based occupations, the number of dogs allowed, and the management protection of ridgelines and hillsides. Buyer should consult the Town Council, LA County Board of Supervisors, as well as Department of Regional Planning for more information and current standards and allowances pertaining to Subject Property. For more information, go to <http://actontowncouncil.org/>, www.adtowncouncil.com, and search planning.lacounty.gov/.

Antelope Valley Area Disclosures

1. **Airport Noise:** Buyer is advised that the Property may be situated in or near Air Force Plant 42, Edwards Air Force Base, Fox Field, Palmdale Airport, and the Rosamond Airport/Skypark, each of which facilities produce some level of aircraft traffic with resulting noise and other environmental issues. Buyer is advised to make Buyer's own independent investigation of this during Buyer's physical inspection of the Property, if this is a matter of concern to Buyer.

2. **Antelope Valley Area Plan:** The Antelope Valley Area Plan (“Plan”) was adopted June 16, 2015. The Plan is a component of the Los Angeles County General Plan that allows for more detailed policies to account for unique conditions specific to this geographical area. It is to be expected that the Plan will be updated from time to time to reflect changes in conditions in the area. The Plan has resulted in changes to previously permitted densities, imposes restrictions on property use and may otherwise impact a Buyer's intended use or development of property.

Other ordinances, either existing or proposed, such as the Significant Ecological Area Ordinance, the Renewable Energy Ordinance and the Hillside Management Ordinance may also impact the use, enjoyment and development of property in the unincorporated areas of the Antelope Valley. For more information, you are encouraged to visit: planning.lacounty.gov/.

3. **Flooding:** Flooding and flash flooding can occur throughout the Antelope Valley during storms, resulting in property damage, erosion and structural leaks.

4. **Landscape Laws and Ordinances:** The Cities of Lancaster and Palmdale have enacted landscape installation and maintenance ordinances which require the property owner to install and maintain landscape to certain minimum standards. If the property falls below these minimum standards, the property is subject to mandatory re-landscaping to meet water efficiency requirements established by the city and the State of California. Buyer and Seller are both advised of the necessity to maintain the landscape on the property at all times using water efficiency standards imposed by the Cities and/or water district providing service to the property. It is recommended the property owner review the current landscape and water efficiency ordinances and resolutions for the City in which the property is located. It is further recommended the property owner review current water restrictions with the water purveyor for the property. These ordinances contain monetary penalties and fines for noncompliance. The ordinances may be viewed on the City websites or secured at City Hall. Unincorporated areas are subject to statewide statutes and may be subject to local water conservation standards.

5. **Palmdale Power Plant:** The City of Palmdale received approval for the Palmdale Hybrid Power Plant (PHPP), from the California Energy Commission (CEC) in August, 2011 and the United States Environmental Protection Agency (EPA) in November 2011. In May 2013, the City entered into an agreement to sell all assets pertaining to the Palmdale Hybrid Power Plant to Summit Palmdale Development, LLC. As a flexible capacity plant, it will utilize modern technology, consisting of highly efficient natural gas turbines with quick-start capabilities. Palmdale's power plant will be located 1/3 of a mile south of Ave. M, east of Sierra Highway, adjacent to Plant 42. Buyer is advised to investigate the impact, if any, of such facility.

6. Rental Housing License and Registration: The Cities of Lancaster and Palmdale have enacted ordinances that require, among other things, that the owner or operator of residential rental property shall register the property with the appropriate city department, and/or secure a current rental housing business license. These ordinances provide for the inspection of the property, the payment of fees, and require that a Certificate of Inspection be secured and maintained for the property. Failure to comply with the ordinances can result in fines and other penalties. The ordinances may be reviewed on the City websites: Lancaster: www.cityoflanasterca.org Palmdale: www.cityofpalmdale.org. Unincorporated areas are subject to statewide statutes and subject to County ordinances which may also require licensing inspections and compliance.

7. Use of Drones: Unmanned Aircraft Systems (UAS) drones: 5-mile rule applies to operations in Class B, C, D and E airspace. The rule also applies to military installations that have an airport, airfield and/or heliport. Any operation of a UAS without Air Traffic Control (ATC) permission in this classified airspace is prohibited. Operations in Class G airspaces are allowed without ATC permission. Buyer is advised to conduct their own independent investigation. For FAA requirements, visit https://www.faa.gov/uas/where_to_fly/airspace_restrictions/ or download the FAA mobile app **B4UFLY** to verify restricted areas.

Signing below, Seller and Buyer acknowledge they have received, reviewed, understood and accepted the above disclosures.

Seller acknowledges and represent they have fully and truthfully filled out this and all other disclosure documents. In addition, Seller acknowledges they did not rely upon either Broker or Agent for any information regarding this or any other disclosure document or the making, or omission, of any disclosure.
